易法吊坠的简介

所谓“易法”是根据中华易经里的法则制作而成。易法吊坠是由香港精致的手工铸造，采用白银、K白或白金为主要原料，配搭了古典时尚的勾财设计，再经过手工微镶高级八心八箭人造钻、打磨与抛光、电镀、意大利珐琅天彩上色等过程后才得以完成。首先，易法吊坠有着阴阳平衡的象征，还有刻上代表正气的八卦可化解煞气。接着采用古老智慧(易经)传承下来的吉祥数字磁场，根据个人的生命磁场来订做配戴，配合本命五行颜色以达到调整个人运势，趋吉化煞的效应。然后，采用勾财设计具有招财的象征以及三合生肖(地支)贵人的吉配，则可以得命中贵人相助求财成合局。最后，我们再以特别精细的加工能量，推使吉祥磁场达到更加完美！

Introduction to E-Pendant

The letter “E” denotes workmanship based on the principles of the Chinese I-Ching. Mainly made of silver, K-Platinum or Platinum by artistic Hong Kong craftsmen, the pendant is inlaid with man-made 8 Hearts and 8 Arrows diamonds, polished, electroplated, decorated with natural enamel colours from Italy etc. First off, E-Pendant is a symbol of balanced yin and yang, and its Ba Gua marking can ward off bad luck. Second, it is tuned to the wearer’s lucky 5-elements colour to change his fortune and divert bad luck. Third, good fortune design and 3-in-1 Chinese zodiac signs (Earthly Branches) are added so as to attract benefactors’ help for maximal wealth. Lastly, we process it with special energy to perfect the lucky magnetic field!
